If you do not pay off the full amount outstanding, we will allocate your payment to the outstanding balance in a specific order, which is set out overleaf within the summary box section on allocation of payments. The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.
If you make the minimum payment of £ 25.00 and it reaches us on the due date of 19 Sep 2026, your estimated interest payment next month is £ 22.21. Please refer to overleaf for further details.

SUMMARY BOX — Cardholder statement version								
The information contained in this table summarises key product features not displayed elsewhere on the statement and is not intended to replace any terms and conditions.								
Interest Free Period	- Maximum 56 days for purchases if you pay your balance (excluding any balances on a 0% interest rate) in full and on time, and have paid the previous month's balance in full and on time. - There is no interest free period on cash withdrawals, cash transactions, balance transfers or money transfers.							
Interest Charging Information	You won't pay interest on new purchases if you: - repay all balances (excluding any balances on a 0% interest rate) on your current statement by your payment due date and, - have paid all balances (excluding any balances on a 0% interest rate) on your previous statement in full and on time. Otherwise, the period over which interest is charged is as follows: <table> <tr> <th></th><th>From</th><th>Until</th></tr> <tr> <td>Purchases, Cash withdrawals, Cash transactions, Balance transfers and Money transfers</td><td>From date debited to your account</td><td>Until repaid in full†</td></tr> </table> If you don't pay your balance in full (excluding any balances on a 0% interest rate) by your payment due date, interest will be charged on the average daily balance until full payment is made and credited to your account. Therefore, the longer you take to make a payment, the more interest will be charged. † If you pay the balance in full, any interest charge for the period from the previous statement to the date of full repayment will be debited the following month. 	From	Until						
Purchases, Cash withdrawals, Cash transactions, Balance transfers and Money transfers	From date debited to your account	Until repaid in full†						
Allocation of Payments	If your account is in arrears, we'll clear these first (starting with the oldest) before paying off the amount due from your most recent statement. When you pay us, we use the money to pay off the items with the highest interest rates first. If there is more than one item at the same rate we pay off the item at the rate that ends first. For further details please refer to section 6. Paying off your balance, of the General Conditions.
